

[Adobe CS6 Master Collection - Windows Crack](#)

The screenshot shows a Windows desktop environment. In the foreground, a dialog box titled "CS6 Master Collection" is open, displaying an "Installation Complete" message. The text in the dialog reads: "Your installation is complete and these applications are ready for use." Below this, it lists icons for Sketch (Sg) and Dreamweaver (Dw). A warning icon is followed by the text: "Some items for the following product(s) could not be installed successfully." Below this, it lists icons for Photoshop (Ps), Illustrator (Ai), Flash (Fw), and InDesign (Id). The dialog concludes with: "The error summary file may help you identify the issue. If the problems persist, please contact [Customer Support](#) for further assistance." and a "Close" button.

In the background, a web browser window shows a forum thread on forums.adobe.com. The thread title is "Can't install CS6 M...". The user "Alex_Reds" has posted a message dated 05-Jun-2012 22:28. The message content includes: "Hi there, I know Windows 8 is still in the Adobe products on it. I've installed previously Ps 6 and all product have been installed. Here is error log file - http://... Perhaps someone could shed light on this. Thanks in advance. Regards Alex".

The Windows taskbar at the bottom shows several open applications: "edge_p6_install_win_...zip", "shadow_r2_win_0412...msi", "InDesignFamily_8_C...exe", and "Illustrator_16_Content...exe". The system tray shows the date and time as 05:29 on 06-06-2012.
